Permit Holders
Northern Virginia

This is to inform you of two changes that may affect the operating procedure of our customers.

1. Due to a change in accounting procedures, effective October 8, 1977, advance deposits must be made at the post office where the permit is held. (Example: Merrifield may accept deposits only for permits held at that office.)

2. Effective October 9, 1977, contractors making mailings for Federal Government Agencies must have authorization. This is done by the agency that wishes to authorize a contractor to use official envelope or labels obtaining a permit from the Postal Service.

The contractor must use one of the following methods when depositing mail:

(a) Form 3602, Statement of Mailing with Permit Imprints
(b) Form 3602 PC, Statement of Mailing Bulk Rates
(c) Form 3541, Statement of Mailing - Second Class Publications
(d) The postage meter concept prescribed for Federal Government agencies.

Mail must be presented at the post office in the same manner as permit imprint mail.

If you have any questions concerning these new procedures, please contact our Mailing Requirements Section at 573-0400, ext. 272.

Sincerely,

G. T. Bond, Jr.

The Postal Service intends to implement the following rates for bulk mail January 5, 1974. The rates for authorized non-profit organizations will remain the same. The rates for regular bulk mail will be:

First 250,000 per calender year	6.1¢ per piece

The 3602 (statement of mailing matter with permit imprints) and 3602-PC forms must be computed at the new rates and sufficient postage must be on deposit before any mailings can be made. Your cooperation in this matter will help in avoiding any problems that may arise.

Permit Imprint Holders
Bulk Mailers
Northern Virginia

Some time ago we became aware of a number of irregularities in the use of permit imprints and bulk mailing, particularly those of organizations authorized to mail at the special non-profit rate.

This notice is sent to each such organization holding a permit in an effort to clarify the use of the permit by others.

1. The permit holder may allow others to mail using their permit imprint. Each must pay the #30.00 bulk mailing fee and the permit holder is responsible for any misuse, deficient postage, etc...

2. It must be clearly understood that authorization to mail at the special non-profit rate applies only to the organization authorized and does not qualify other organizations mailing under their permit to mail at the special rate.

3. Only certain non-profit orgainizations or associations may be authorized to mail at the special rates. Each must be approved prior to mailing at the reduced rates.

Beginning in 1974 we plan to observe these mailings much closer than in the past to determine if the proper bulk fee and postage has been paid.

If you have any questions or problems please allow our Mail Classification Section to help you. You may call them at 573-0400 ext. 270 or 272.

Sincerely,

E. E. Fleming Jr.

In this directory, the three digits appearing at the top of each column should precede the two digits listed opposite the street entries. Where no house numbers are shown, the entire street is within the area of the ZIP Code indicated.

When the word "Out" appears after a number, that number and any higher number on that street is within the ZIP Code area indicated. For example:

	ZIP Code 402
Washington Ave.	
1100—Out	03

indicates all house numbers on Washington Avenue from 1100 upward have ZIP Code 40203. All listings not specifically designated as avenue, court, lane, drive, etc., are streets.

HOW TO USE ZIP CODE IN ADDRESSES

The ZIP Code should appear on the last line of both the mailing and return addresses following the city and State. The gap between the State and ZIP Code should not exceed six-tenths of an inch.

Example:

Mr. Harold Jones
3025 Theresa Street
Arlington, Virginia 22207

FOR ZIP CODES NOT LISTED IN THIS DIRECTORY, CALL 527-8700

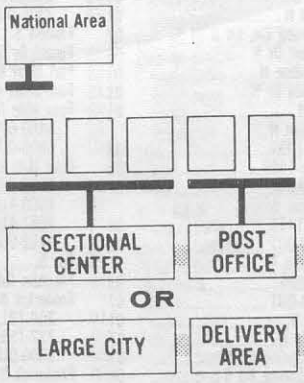
WHAT IS ZIP CODE?

- ZIP Code is a five-digit geographic code that identifies areas within the United States and its possessions for purposes of simplifying the distribution of mail by the U.S. Post Office Department.
- In devising the ZIP Code, the United States and its possessions were divided into 10 large geographic areas. Each area consists of three or more States or possessions and is given a number between 0 and 9.

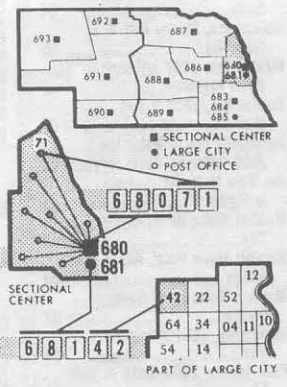
ZIP CODE NATIONAL AREAS

- Because of favorable transportation facilities, key post offices in each area are designated as Sectional Centers. Each Sectional Center post office receives and transmits mail moving *between post offices within its section.* It also receives and transmits all mail moving *into or out of the section.*

WHAT YOUR ZIP CODE MEANS



EXAMPLE



- Together, the *first three digits* of any ZIP Code number stand for either a particular Sectional Center *or* a metropolitan city.
- The *last two digits* of a Sectional Center ZIP Code number stand for one of the *associated post offices* served by the Sectional Center.
- The *last two digits* of a metropolitan city ZIP Code stand for one of the *delivery areas* served by the city post office, its branches and stations.

WAKEFIELD SMOKE SIGNALS

5 December 1975

DID YOU NOTICE?

The report card which was sent home a few weeks ago contained several new items of interest. There is a column which indicated individual class attendance and columns for teacher remarks. Attendance notations are mandatory, while remarks are voluntary on the part of the teachers.

HAVE YOU BECOME INVOLVED?

Join the Wakefield P.T.A. and the Booster's Club. Contact Mrs. Lois Nixon, 671-7432, for P.T.A., and Mr. Delaney, 920-8873, Boosters.

DID YOU KNOW?

Orders are now being taken for the 1975-76 Yearbook. Wouldn't a Yearbook be a nice Christmas gift for your son or daughter? The cost is $12.00.

MEDIA CENTER

Our new Media Center is in full operation. It is a beautiful learning center that will contribute much to the education of young people. Share in our pride by paying a visit to the Center.

SOMETHING NEW HAS BEEN ADDED

A Tutorial Center has been added to assist students who desire help in areas in which they are experiencing difficulties. It is under the able guidance of Mrs. Toril Floyd, and operates six periods a day with student and teacher assistance. Volunteers will be needed in January.

STUDENT INFORMATION CENTER

A Student Information Center opened during the first week of December in Room 160, adjacent to the Media Center. This facility will be student operated and will contain career and college information in addition to information on student activities.
